Chief of Procurement

21 January 1952

Chief, Procurement & Contract Division

Procurement of Reproduction Equipment

1. This office is in receipt of Requisition No. 52-60564 dated 4 January 1952 from Chief, Printing & Reproduction Division, for the following item:

Press, offset, American Type Founders Webendorfer "Chief", size 17 x 22";

also, that a Webb press, bearing serial number 1075, which has been in continuous operation for approximately eight years, be traded in on the new press or sold outright, and that the proceeds therefrom be applied to the purchase price of the new machine. The cost of the new press will be approximately \$7,500.00.
